STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

As an initial matter, Applicants' representative thanks the Supervisory Patent Examiner (SPE) Vikkram Bali for the courtesies extended during the telephone interviews conducted on April 20 and April 21, 2009. As indicated in the Interview Summary mailed April 23, 2009, SPE Bali called the Applicants' representative on April 20th (in response to Applicants' representative message) and offered to enter the Amendment filed April 15, 2009 and informed that the Applicants will be charged a three-month extension fee for entering the April 15th Amendment. After seeking authorization from the Applicants, Applicants' representative authorized SPE Bali on April 21st to enter the April 15th Amendment and charge the three-month extension fee.

However, although the April 23rd Interview Summary is silent on this point, Applicants' representative also noted to the SPE on April 21st that they do not believe the three-month extension fee is necessary for entry of the April 15th Amendment. As such, Applicants'

representative submitted that they do not give up the right to file for a Request for Refund of the three-month extension fee after the three-month extension fee is charged.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,

Peter A. McKenna
